

Mrs. Milano's Classroom Rules

WOW!

We're Respectful

- *Use GOOD MANNERS
- *Be a good listener
- *Work quietly

Oh! We're Safe

- *Keep hands and feet to yourself
- *Always using walking feet
- *Choose a WOW Walk

We're Responsible

- *Follow directions
- *Take Care of your stuff
- *Always do your BEST

If a rule is broken:

1st time - Redirection of negative behavior

2nd time - One-on-one discussion to redirect the behavior

3rd time - Redirection of the behavior with visual reminder

4th time - Student/Teacher Conference during recess or free time to discuss and reteach the negative behavior

5th time - Note or call to parent from either teacher or student explaining behavior concerns

*I do not send home daily or weekly behavior sheets. If your child is having a difficult time following our "WOW Rules," I will send a note or call you so we can discuss these concerns. My focus is to teach and reinforce positive behaviors and attitudes to help eliminate some of the behavior problems and concerns.

Thanks in advance for your support and understanding!
